Booking Terms and Conditions for Casa Garfagnana.

Our Commitment to you We commit to providing a clean house with all the advertised facilities in good working order. Bed linen, a bath towel and a hand towel will be provided for each guest. These will be changed every Saturday of your stay. No extra payment is required for the extra bed or crib if they are requested. The rent includes electricity, cooking gas and hot water. We have arranged for a neighbour to keep the house in good order. If you have any problem with the house or facilities this person will make every effort to resolve the issue. We will post you a booking confirmation and a receipt for all payments made.

Booking Reservation and Final Payment The house is not reserved until we have received the completed booking form and booking deposit. This booking deposit is not refunded if you cancel the booking at any time. We must receive the final balance two months before the rental starts. If we do not receive this balance payment by then we will consider the booking cancelled.

We can take payment in Sterling or Euro Personal Cheques or Bank Drafts drawn on a UK or Irish bank. On request we may be able to take payment via a US Dollar Cheque. There is an extra 1% charge for our bank to process a US dollar cheque.

We can take credit card payments via Paypal from anywhere in the world. Please ask us to email you a Paypal invoice for payment. Note there is an extra 4% charge to cover the Paypal charges.

Travel Insurance We strongly encourage you to take out Travel Insurance and to ensure that it covers you for accommodation cancellation.

Cancellation of Your Booking The Booking Deposit is non-refundable. If you cancel less than 2 months before your arrival we will make every effort to re-rent the house so as to refund you the balance amount. If we do not get a replacement booking then unfortunately we will not be able to pay this refund. If you have paid in full and cancel more than two months before your arrival we will pay the balance amount immediately. In both cases we will return the Security Deposit.

Security Deposit The Security Deposit is to pay for damage costing €8 or more, extra cleaning if required or heating cost over the prepayment amount. This deposit will be returned to you within 14 days of your departure. If you cancel your booking this will be returned immediately.

Damage This is a private house and we request that you leave it in the condition that it was in when you arrived. We expect minor incidents such as the odd cup, plate or glass being broken. We will not charge for these but request that you leave a note or tell the caretaker so that we can replace or repair the items for the next guests. Please do not take any of the garden furniture, towels or other items off the property (e.g. to the beach).

Cleaning We request that you clean and store all cutlery, cooking and drinking utensils on your departure, and that you leave the property in a clean state. We expect to do a thorough cleaning and washing of the house after you depart. However excessive soiling of floors, walls, or furniture will incur an extra charge.

Heating It can get cold in this part of Italy in Winter, late Autumn and early Spring. If you have requested that the central heating be made available it will be charged at cost price based on the meter reading. If you use less gas than your heating prepayment we will refund the difference. If you use more we will request the extra amount. As a guide 8 hours of heating will cost about €12. This will obviously increase if the temperature is set high, it is very cold or you use the heating for long periods. Wood is available under the balcony for the open fire. Our neighbour supplies this and you need to pay her before you leave. The cost is based on how much you use. The cost of this is reasonable.

Guest Numbers The house will comfortably accommodate four adults. The maximum number of people that can stay in the house is five adults and a baby.
